## NO TIME LIMIT GUARANTEE

Centurion Bicycles are guaranteed against all defects in material and workmanship... no time limit.

Western will replace... without charge... any original part that is determined by the factory to be defective under the terms of this guarantee.

Failure due to accident, abuse, neglect, normal wear, improper assembly or maintenance by anyone other than a Centurion Dealer, or use of other than Genuine Centurion Parts is not covered.

## Free 30-Day Checkup

Each Centurion Bicycle will be fully assembled by the Centurion Dealer at time of purchase, and will be entitled to receive a Free 30-Day Checkup by the same Centurion Dealer within the first 30 days of operation... such checkup to include free replacement of any parts found to be defective, free inspection and adjustment of all functional parts and assemblies... but not including any repair due to accident, abuse, neglect, normal wear, improper assembly or maintenance by anyone other than a Centurion Dealer or use of other than Genuine Centurion Parts.

Dealer labor charges are not covered by this guarantee after the Free 30-Day Checkup, except for any labor charges due to free replacement of a defective or broken frame within one year from date of original purchase at retail.

Replacement of defective parts and those dealer charges specified above shall be the sole remedy of any purchaser under the Centurion Guarantee, and in no event shall Western be liable on any implied warranty of merchantability of fitness, or for special or consequential damages.

See your Centurion Dealer for service under the Centurion Guarantee.

The Centurion  
Cycling machines are the  
finest combination of precision  
design and craftsman produced compo-  
nents in the world today. Each cycle is a benchmark of  
bicycle manufacturing perfection.

Centurion Cycling machines meet standards of performance determined  
by the essence of the nature of riding itself — not by styles or fads.

From the utilitarian Sport 3 to the superb Centurion  
Professional, each precision cycle is unmatched  
in performance and reliability.
